Dungannon set to kick off 11th annual Super Pull

Engines will be roaring and thousands will be cheering during the 11th annual Dungannon Super Pull, June 18 and 19.

"We have a great line up to come and we're hoping for good weather so we can have another successful event," said Super Pull Committee Chair Steve Adams.

The Super Pull is the biggest horse power sport in North America and the largest of its kind in Huron County. The event attracts a crowd of over 3,000 people each year to Dungannon and the event was voted the number one "pull of the year" in 2007 and 2008 by the Southwestern Ontario Tractor Pullers Association.

The event kicks off with an outdoor concert with festive gardens on June 18 with the country/classic rock band from Guelph "Settler's Creek". Tickets for the age of majority event at the Dungannon fairgrounds are \$10 each.

The truck and tractor pull will start on Saturday, June 19 at 4:30 p.m., at the fairgrounds. There is no rain date for the event this year. Tickets for adults are \$15 each; children five to 12-years-old, \$5 each; and preschoolers are free.

The event will be fun for the entire family, said Adams. There will be clowns at the event to entertain children and a tattoo artist.

Adams said that special features to this year's show are the grand national, super stock, alcohol-running tractor and a pro-steel diesel truck. There will also be classes for single engine modified tractors, modified multi-engine tractors and modified mini-rods as well as diesel smoking farm modified, pro-stock tractors and more.

The Super Pull's lineup consists of competitors, from across Canada and the U.S., who are part of The Great Lakes Tractor Pull Association and The Southwestern Ontario Tractor Pullers Association.

The annual event is organized by the Dungannon Super Pull committee, a non-profit organization. Over the past years, the committee has made several donations to various community projects such as the Goderich hospital CT scanner and upgrades to the Dungannon fairgrounds and the Lucknow Soccer Fields.

The Super Pull committee wishes to express their apologies to those who have not received a video of last year's Super Pull that they ordered from a vendor at the event.
